WILL BUILD HANDSOME HOME.

Contracts were let Friday evening by John Sauer, for the erection of a handsome new two-story brick residence on his lot in East Paris, on the Maysville pike, to cost approximately \$30,000. The general contract was let to Wolfe Bros., of Georgetown, the sub-contracts being let to the following Paris people:

Hatfield Bappert, brick work; foundation and stone work, Thos. Woods; Mansfield-Jefferson Lumber Co., lumber; C. A. Daugherty, painting; John Meringer, plumbing; Metalwork, heating plant, and other contracts will be let at another date.

The new home will be one of the most convenient and modernly built in the county. One of the features will be a garage, which will be located in the building proper, just beneath a spacious sleeping porch. When completed the home will be occupied by Mr. and Mrs. Sauer.

VANDALS STEAL FLOWERS FROM PARIS CEMETERY

Complaints are being made by lot-owners that vandals are stealing cut flowers and even flower vases from lots in the Paris Cemetery. In a number of instances potted plants have been removed entirely from beds, cut flowers and vases stolen and a general scheme of destruction carried on.

Under the law a penalty of \$25 fine or imprisonment, or both, is provided as punishment for such desecration. Should the guilty parties be apprehended they will be given the extreme penalty, which is not severe enough at that. Desecration of graves and surroundings is an act of the most extreme vandalism, and should, and will be, fittingly and promptly punished.

Superintendent Wm. Smith is keeping a vigilant watch on the ground, in hopes of catching the guilty party or parties. In some cases flowers have been innocently taken away by children, but children of larger growth must be at work when they remove whole pots of flowers and vast quantities of cut flowers, even the vases they have been placed in.
